

UNIVERSITY OF TOYAMA (Toyama)

While respecting the interests and concerns of each individual student, this program offers an opportunity for in-country study of Japanese language and culture. After receiving instruction in basic Japanese language and culture, students progress to more advanced study of language and culture alongside their Japanese peers. The curriculum is tailored to the individual needs and level of each student as we try to strike a balance between foundation and advanced classes.

④ Toyama Prefecture

Located near the geographic heart of Japan, Toyama prefecture is beautifully situated on the Japan Sea coast against the backdrop of the majestic Japan Alps. The prefecture has four distinct seasons, and the snow-covered Toyama winter landscape is particularly beautiful. Toyama abounds in interesting vestiges of old Japan including nearby Gokayama village with steep thatched-roof houses (designated a UNESCO World Heritage Site) and the folk song tradition of *Etchu Owara Bushi* which is known and associated with Toyama throughout Japan.

The university is located in Toyama City, the prefectural capital and a modern metropolis with a population of about 420,000. Hokuriku Shinkansen started operating from March 2015. It took about two hours between Tokyo and Toyama. Blessed with clean water and air, excellent seafood, and all manner of cultural amenities, Toyama is regarded as one of the most convenient and congenial places to live in all Japan.
