

University of Toyama (Toyama Prefecture)

1. Students and researchers can learn extensively about Japanese educational systems from primary to graduate schools in collaboration with institutional facilities such as the attached schools.
2. They can also learn about the various cultures of the areas that surround the Sea of Japan.
3. They can also learn about the natural environment of Toyama, ranging from the sea areas to the high-mountain areas.

◇ University overview

○ Characteristics and history

In October 2005, three Toyama University, Toyama Medical and Pharmaceutical University and Takaoka National College were integrated to form the present University of Toyama.

As of May 2021, there were about 9,000 students. Academic exchange agreements have been drawn up with 141 institutions in 32 countries and regions. We are eager to welcome international students, and our Organization for International Education and Exchange plays a key role in enabling us to do so.

Schools: School of Humanities, School of Education*, School of Economics, School of Science, School of Medicine, School of Pharmaceutical Sciences, School of Engineering, School of Art and Design, School of Sustainable Design
